Stand magnifiers with LED handles to use when reading for longer periods enabling you to keep a fixed focus length with a bright LED light.

The stronger the magnification the closer the lens is to the object.  
For both the Eschenbach and Schweizer brands below we list magnifier heads and handles separately to make it easy for you to purchase if you only require the head or a replacement handle.

**Please order both handle and magnification head you require**

**GLARE PROTECTION - UV FILTER EYE SHIELDS**

Percentages relate to light transmission, the lower the number the darker the shields  
NOIR filters prevent greater than 99% of all glare-causing high-energy short wavelengths from reaching the eye. All filters absorb ultraviolet radiation to 400nm, with many lenses also blocking blue light, protecting the retina from high-energy wavelengths which may contribute to the degenerative process culminating in macular degeneration.

U21	UV Eye Shield 28% Grey medium size	£15.00 + VAT

**TALKING POCKET CLOCK**

CC83	Portable Talking Pocket Clock	£11.50 + VAT
------	-------------------------------	--------------

At the push of a button this pocket clock announces the time and date in a clear natural voice. Keep it in your pocket on a lanyard or use it as a keyring. This slimline clock is easy to set and has a simple alarm function. The unit is white and on the front there's a simple black line drawing of a clock face with the announcement button and speaker.

**TALKING CUBE CLOCK**

CC36	Talking Cube Clock	£35.50 + VAT
CC53	Talking Communiclock	£45.00 + VAT

The cube clock is a simple alarm clock that announces the time at the press of a button in a natural voice and all mode settings are spoken. The clock also features an optional hourly announcement five alarm sounds and a volume control. The Communiclock updates automatically and announces the time and date in a clear male voice. Press the large black, contrasting button on top of the clock to hear the time, or press and hold to hear the date, month, year and day.

**SMARTLITE EASY TO SEE ALARM CLOCK**

CC72	SmartLite Easy to See Alarm Clock	£20.00 + VAT
------	-----------------------------------	--------------

This 11cm easy-to-see alarm clock automatically illuminates the clock face at night time. Innovative Smartlite® technology enables the clock face to brighten as the surrounding conditions become dark, so you can always see the time. It also has a large white button located centrally on the top of the clock, which when pressed lights the clock face.

**LIFEMAX TALKING WATCH**

CW177	Lifemax atomic talking watch	£52.99 + VAT
-------	------------------------------	--------------

A classic radio-controlled talking watch with clear black numbers and hands on a white face fitted with a black leather strap. The watch announces the time and date in a clear natural voice and includes an optional alarm and hourly announcement. It can be set to receive one of four global time signals or be manually set.

**APHRODITE MIRROR 7X MAGNIFICATION**

DM41	Aphrodite Mirror 7x	£27.08 + VAT
------	---------------------	--------------

This stylish magnifying mirror with LED illumination is perfect for everyday use. This practical, free-standing mirror has 7x magnification and the LED illuminated rim is battery-powered, so can be placed where you need it most. It has a 15cm (5.9 inches) diameter mirror and is 33.5cm (13.2 inches) tall (including the clear plastic stand). The base of the mirror includes a segmented cosmetic storage tray

**OPTICARE EYE DROP DISPENSER**

DH112	Opticare Eye Drop Dispenser	£9.00 + VAT
-------	-----------------------------	-------------

This easy-to-use eye-drop dispenser safely and accurately targets the eye. It also allows you to squeeze your eye-drop bottle with minimum pressure. It clips on to most round eye-drop bottles from 5-15ml. Supplied with an adaptor to make it compatible with many non-standard bottles. Please note, this dispenser is not compatible with Novelia or Aptar-branded eye-drop bottles, or with single-use eye drops.

DK202	Talking Kitchen Scale with Jug	£57.50 + VAT
-------	--------------------------------	--------------

This modern kitchen scale with an easy-to-see jug measures wet or dry ingredients and speaks in a clear voice. The slimline scale weighs up to 5kg/11lb and the measuring jug holds up to 1,300ml/2.25 pints. A tare function allows you to zero measurements before adding more ingredients.

**LIQUID LEVEL INDICATOR**

LQL1	Liquid Level Indicator with Audible Alarm	£12.00 + VAT
------	---	--------------

Prevent scalding and spillage with our super little Liquid Level Indicator, which features two height adjustable sensor prongs to warn you when any hot or cold liquid you are pouring is about to reach the top. Listen out for an alarm beep, or sensor vibration, which tells you your cup is nearly full.

**AUTOMATIC NEEDLE THREADER**

DH63	Automatic Needle Threader	£7.49 + VAT
------	---------------------------	-------------

The needle threader has two funnels – one for an ordinary needle, one for a larger one. All you do is place the needle eye down, lay the thread in a gully next to the funnel, press the button on the top and out comes the thread and your needle is ready to go. If you have multiple threads then you can do them all together or one at a time.

**CLIPBOARD WITH LARGE WHITE CLIP**

CLIP	Blue Clipboard with large white clip	£4.89 + VAT
------	--------------------------------------	-------------

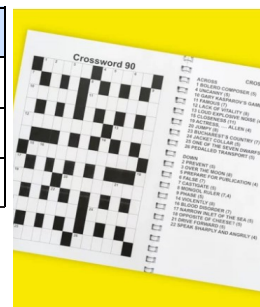

A clipboard encourages better posture by allowing you to sit upright. A large white clip is located at the top of the clipboard securing your paper. A pen loop is located to the right-hand side of the clipboard.

**LARGE PRINT PLAYING CARDS**

GC12	Large print Playing Cards	£5.95 + VAT
------	---------------------------	-------------

Pack of easy-to-see large print playing cards with good colour contrast and bold characters which measure 3.2cm (1.25 inches) in height to make each card easier to identify.

**BT BIG BUTTON 200 CORDED PHONE**

DH216X	BT Big Button Telephone	£26.66 + VAT
--------	-------------------------	--------------

This easy-to-use white landline telephone with big buttons and built-in stand gives you the option of using the corded handset or the hands-free loudspeaker option to make incoming and outgoing calls. The phone features speech amplification and is fitted with an inductive coupler so it is hearing aid-compatible  
The large black number pad buttons have great contrast against the white phone casing and white text

**COMMUNIPLAYER RNIB USB PLAYER FOR AUDIO BOOKS**

DH475	RNIB Communiplayer USB	£48.75 + VAT
-------	------------------------	--------------

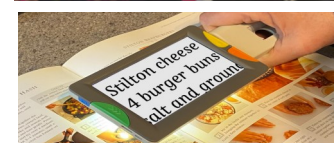

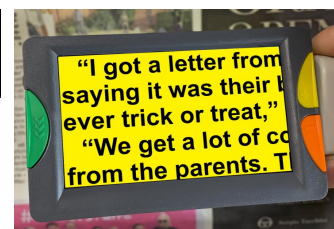

The Communiplayer is a small, portable USB player. The USB memory stick player is easy to use and can be easily moved from room to room, or even outside. The Communiplayer has black casing, a white underside with large tactile white buttons which contrast with the casing. The player has built-in Bluetooth for remotely connecting to devices, such as smartphones and tablets, to play music, podcasts or audio-books.

**EYED ELECTRONIC HANDHELD MAGNIFIER**

EYEDV2	EyeD Electronic Handheld Magnifier	£200.00 + VAT
--------	------------------------------------	---------------

The Eye-D v2 is a handheld magnifier that offers sharp clear image quality and flexibility of use with its integrated handle. Unfold the handle to use its comfortable grip while reading or reviewing small print and pictures. When you are ready to write or slide the unit across material, simply fold the handle under the main body for a writing stand and perfect ergonomic viewing angle. You are also able to connect the Eye-D v2 to a larger screen or TV with its included cable to maximise your viewing area.
